

The Federal Communications Commission
445 12th Street, SW
Washington, DC 20554

Dear The Federal Communications Commission,

What a bunch of crap? "Keep USF FAIR?" How does taxing the hell out of us any more and giving the money to the few remaining incumbents keep anything FAIR?

How embarrassing that Ivan has to pay Issue Dynamics to lie for him.

Sincerely,

One Pissed Off Citizen

Sincerely,

Bob Jones
